

# Help Us Determine What Public Amenities are Needed in Our Community

Response Needed by Saturday, October 15, 2022

For years, LRCA has been working to ensure that public amenities such as parks are part of the building projects in our neighborhood. We are surveying the community regarding the unused DC-owned greenspace at the southwest corner of the intersection of Riggs Road and South Dakota Avenue, NE, near Food and Friends.

As per LRCA and DC's plans for our neighborhood, we want that land to remain public, open greenspace; that is, no buildings. In this survey, we need your suggestions for improving that land to become a DC-owned public, open, community park.

We want to hear from you. So please take our Survey!
